A B O U T M E

I'm a Tech Enthusiast. I like to work with new technologies and learn new things. Doing research works and projects which includes both coding and hardware implementation are what I love to do. I believe **Hard Work, Punctuality, Honesty** and **Dedication** can lead me towards success. My career objective is to work with a progressive organization and to pursue career in a professional titled which provides me with ample opportunities to implement and best utilize my skills in a good professional environment.
